

Professional Partnership Program

A Special Program to Connect with & Support the Risk Management Industry

A program of the Chesapeake Chapter of RMA

The RMA Chesapeake Chapter includes more than 500 risk management professionals representing some 140 financial institutions in Maryland and DC. Each year, these members gather at key events throughout the region to review issues, discuss options, share stories and uncover solutions. Through the Chesapeake Chapter's Professional Partnership Program, businesses can raise their visibility and personally connect with these leading financial professionals.

The Professional Partnership Program offers a combination of membership and program sponsorship so you network with members all year long making valuable business and professional contacts. The Partnership includes listings in our newsletter and website and an event sponsorship of the CCRMA event of your choice at the higher levels. This option lets you distribute information at an event and gain additional visibility through listings on the specific event promotions. Plus, each level provides you a local CCRMA Premier Membership saving you money on event registrations.

We are offering several partnership levels ...

PLATINUM PARTNER - \$1,000

- One Paid Annual RMA Professional Membership & Annual Chapter Premier Membership
- Inclusion in the Partner Listing in Chesapeake Clips and the CCRMA Website
- Event Sponsor for one CCRMA Event, which includes distributing your materials at that event, listing with live website link where available in that event promotions, listing in the program, and three event registrations
